

Chivalry Limousine is committed to providing the high quality ground transportation for corporate clients. We are far above the average Corporate Car Services in the tri-state area while the price is very competitive. Chivalry Limousine welcomes corporate limousine service accounts needing that “step above” LIVERY SERVICE. We have brought back the service that you need, expect and pay for.

Whether you are traveling for business or pleasure, you can now travel in safe, affordable and comfortable style, between major metropolitan cities and business destinations. By using us to meet your clients and business associates, we make the perfect first impression for you and your organization.

Our Corporate packages match our customer service for excellence in price, flexibility, and availability. To learn how Chivalry Limousine can best help you with your travel needs. Please fill out the request form and we will contact you.
